

Age Check
Certification Scheme

PAS 1296:2018

PASS

It is hereby certified that, subject to the endorsements and limits of jurisdiction outlined below:

has been subject to conformity assessment in accordance with the Publicly Available Specification (PAS) 1296:2018 Code of Practice for Online Age Verification and validated by the Age Check Certification Scheme.

Conformity Assessment

The Checks of Conformity independently assessed by competent and qualified audit professionals demonstrate that Verime Limited, as an Age Attribute Broker, can accurately, appropriately and to acceptable and identified levels of assurance disseminate to a relying party whether or not an age 18 content bar is applicable to a UK-issued Mobile Station International Subscriber Directory Number (MSISDN) based upon age verification carried out by a third party OFCOM-licensed mobile network operator in accordance the Mobile UK Code of practice for the self-regulation of content on mobiles (V3, 1/7/13).

Endorsements & Limits of Jurisdiction

Applicable only in the jurisdiction of the United Kingdom & Northern Ireland. Verime do not carry out age verification directly against assessment and validation of primary identity credential but are reliant upon such checks carried out by others.
